- Certified Filing Centres (CFCs) Operated by Professionally Qualified Persons/Bodies to facilitate e-filing of Documents

Ministry Of Corporate Affairs	Description A CFC for MCA e-filing is a facility, other than the physical front offices or facilitation centres set-up by the Ministry, to be set-up and operated by an appropriately qualified the private individual, firm or body corporate under the MCA21 e-Governance programme, from where the actual electronic filing of documents by companies may be enabled along with associated facilitation, on payment basis. The objective is to improve speed and certainty in delivery of MCA services in a transparent manner. This improvement is ensured primarily through the mechanism of secure electronic filing (e-filing) and easy on-line payment for all the services provided by the Registrar of Companies. It is a significant step towards an end-to-end paperless delivery of Government services with the widespread use of Digital Signature to carry out e-filing in a secure manner in conformity
